Dear Classmate;

As you know and are reminded every time you write down the date it's been 30 years since we graduated and made our way out into the world. Some have ventured further than others, but no matter how far you have gone you are invited to return home for a weekend of reacquainting, reconnecting and reminiscing. We hope the activities we have planned will not only encourage these 3 "Rs" but also make for a great time for you and whoever you bring along.
